ORBIT A Summer Project Presentation Competition

About The Event:

One day event to be held on 10th October, 2018. This event is organized by Dr. Vikhe Patil Foundations **Pravara Centre for Management Research & Development (PCMRD)**. It is an attempt to showcase our foray into the mazes of the corporate world and bring out the best talents that we as novices possess. It offers a unique competing platform for students of business administration from institutes all over the city to present the efforts undertaken by them during their summer internship.

The competition involves presentations by participants based on the projects undertaken during their summer internship. The presentations are categorized according to the following specialisation:

Marketing Management

Financial Management

Information Technology Management

Operations Management

Human Resources Management

International Business Management

Supply Chain Management

Rural and Agribusiness Management

Family Business Management

Technology Management

An independent panel of industry experts and academia would evaluate the presentations and choose the winners.
